YOU know as soon as you take the wheel of a Ford that you've hit on something *different*. You're driving a car with a V-8 engine, and a chassis like no other in the world. You get an edge on city traffic. You cover the open road more easily. You hold the road on turns and bad going without having to poke along. You have power to spare on the hills. You actually cut your running time without boosting your top speed! Yet driving a Ford V-8 is delightfully easy. Riding comfort is like nothing you've ever experienced in a car so nimble. And you save money, every mile. Owners report gas mileage on a par with less powerful cars; and no extra oil needed between regular changes.

Base Ball Games

Due to bad weather conditions, the high school baseball team has had quite a bit of trouble playing its scheduled games. A pair o f games with Farmville and one with Rustburg have been called off on account of rain or cold weather.

Two games have been played, the local team being the winner in both instances. Concord was subdued on last Wednesday by the score of 23 to 2. A team composed only of the first two years of high school and the grades, defeated Oakville on Tuesday 16 to 0.

Over 1100 Car Licenses Sold Here to Date

Appomattox car owners came up with $2,900 in cold cash to buy automobile tags for 1936 at the city this week, as the time limit for 1935 plates expired and now virtually all cars in the county are besporting the bright red and blue licenses.

To date 1130 sets of licenses for automobiles have been issued here from the office of C. S. McDearmon, agent.

Of that number an even 900 have been for passenger cars.

It is considered that a larger percentage of car owners got their licenses before the deadline this year than usual, an evidence of a general healthier financial condition over the county.

These figures do not include the local city tags.
